

# BAARK RAISES OVER \$30,000 AT FUN-FILLED CARNIVAL NIGHT!

●ANIMAL DOCTORS: Vets Dr Pinder and Dr Grant show their support for Baark! at the annual Carnival fundraiser

★ MORE than 150 guests attended the second annual Carnival Night Fundraiser for local charity Baark! (Bahamas Alliance for Animal Rights and Kindness) held at 1er Cru. The fun-filled event was sponsored by Purina, Think Simple, Graham Real Estate, Happy Pets Animal Hospital, Odyssey Aviation and JS Johnson. And all the proceeds will benefit Baark's spay/neuter and education programs throughout The Bahamas. Quickly becoming known as the most-fun fundraiser on the social calendar, attendees had the chance

to play more than 10 gala games in a bid to win amazing prizes. The slowest bike race was one of the evening's highlights. Guests also enjoyed carnival food favourites including chicken wings, hot dogs, a chocolate fountain and cotton candy! Purina Brand Manager, Richard Curry said: "We love to partner with Baark! as their events are always fun and well attended, plus we know the money raised is going towards their very important work. Having seen a reduction in the stray dog population over the past few years, we know

Baark's programs are successful and we are proud to work alongside them." The Carnival fundraiser was also made possible with support from Le Petite Gourmet and KDM Events. Baark! has an upcoming spay/neuter clinic. On May 28, Baark! will team up with Happy Pets Animal Hospital and Palmdale Veterinary Clinic to target Adelaide, Gambier and Mount Pleasant areas. Low-income families who need assistance can call tel: 427-SPAY. More information can also be found on Baark's website: [www.baarkbahamas.org](http://www.baarkbahamas.org).

●LADY IN RED: A lucky winner of one of the Carnival Night games receives a beautiful prize from Koastal Krafts

●HOW SLOW CAN YOU GO: Guys try to go slow in the Slowest Bike Race, one of the fun-filled evening's highlights
